WINTER CATARA

All Its Phases and Stages Cured by Peruna.

MRS. J. E. MILLS, OF NORWICH, CONN.

Mrs. J. E. Mills, 464 Main street, Norwich, Conn., in a recent letter says: "I write to let you know what Peruns has done for me. I have been troubled pneumonia prevailed. I had an attack with caterrh since I wasten years old. At times my head troubled me so that of cold in estarthal form, suffering with I would be obliged to stay in a dark room. Nothing helped me and my physi- tactal neuralgia and headache, but conclan said I could never be cured.

"I began taking Peruna this spring and find myself greatly benefited by it. I have not had an attack since I took my first bottle. I think in time it will wire me. Peruas has improved my appetite and health in general. I have the different phases of natural and their wined twenty pounds in three mouths. I have recommended it to several of treatment, also "Health and Beauty," my friends, who also find it very beneficial, I advise any one troubled with written especially for women, sent free metarrh to use Perune."

Thousands of men and women all over the United States use Peruns. Company Columbus, Ohio.

They do so because they have learned by experience ttha it is a valuable med-

Not only is it a valuable medicine but it is applicable to the climatic ailments. of winter and summer. Extremes of heat and cold in the United States make

its land of catarrh.

Nearly everybody has catarrh. This is more especially true among the middle and lower classes. Exposure to the climate, hard work, and unventilated sleeping rooms are the principal causes. Charitatic institutions have found, by bitter experience, that catarrhal disascuare not only the most numerous of all other diseases put together, but they are the hardest to care.

Permis is a specific for this class of diseases. No other remedy can take its place. Thousands of cases of chronic catagrh are cured by the use of simply a bottle. People who have spent large sums to be cured of catarrh, have turned to Peruns as a last resort, and been cured by the use of a single bottle.

It is a sure cure for coughs, colds, la grippe and catarrh in its many phases. Whether the catarrh is located in the head, throat, lungs, stomach, kidneys or pelvic organs, Peruna is a prompt and never-failing cure.

Mrs. Sarah Jones, Pleasant Plain, 15., writes: "I wish to acknowledge my appreciation of the benefits received from eruns and Manalin in the treatment of what was pronounced systemic catarrh. I took Peruna for a while and discontinued the use of it as I felt so much better. The latter part of the winter and early spring there was so much sickness here, an epidemic of colds and tinued taking Peruna and Manatin and was soon restored without being prus-
